DEDICATION

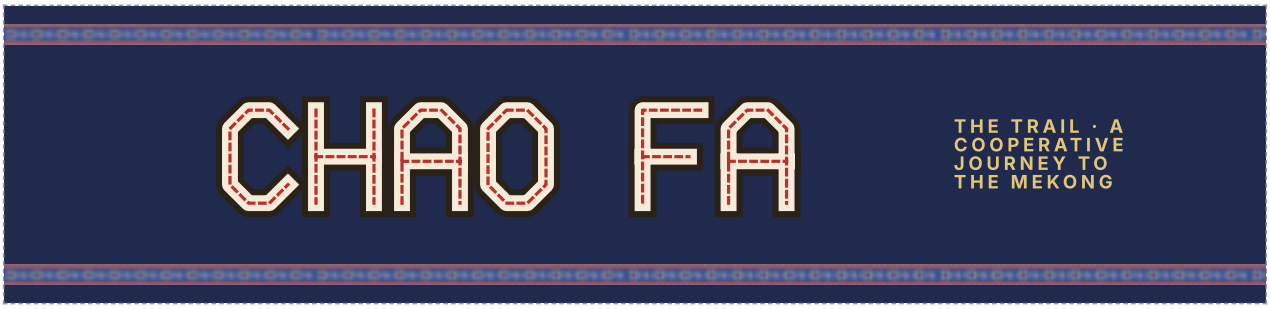

This game is dedicated to all the men and women who served in the Vietnam War; to the Hmong who served and were killed; to those who died in the jungles of Laos and those who are still there; to the CIA, to General Vang Pao, and to everyone who brought attention to this tragic chapter of history.

ABOUT THE HISTORY

The endings, the Voice cards and the companion book tell what really happened, based on true stories; disputed claims say so. All artwork is original to this game.
